koiralabishal3@gmail.com

Birauta-17,
Pokhara

SUMMARY

Passionate and detail-oriented Software Engineer with hands-on experience in full-stack development, algorithms, and system design. Skilled in building scalable web applications and solving real-world problems through clean, efficient code. Eager to contribute to innovative projects and grow in a collaborative tech environment.

EXPERIENCE

ASD Tech

Bangalore, India

Full Stack Trainee

08/2023 - 11/2023

Remote

- Contributed to the development of responsive web applications using the MERN stack (MongoDB, Express.js, React, Node.js).
- Collaborated with developers to troubleshoot and resolve issues in existing projects.
- Gained hands-on experience with Git for version control and collaborative development.
- Researched emerging technologies and best practices in full stack development.

EDUCATION

Gandaki College of Engineering and Science

Lamachaur, Pokhara

Bachelor of Software Engineering

2021 - Present

- Focused on core software engineering principles, including algorithms, web technologies, programming languages (Java, C, C++), and system design.

SKILLS

C	C++	Java	UML	CSS	HTML	Javascript	MySQL
MongoDB	PHP	Node	Express	React	Git	GitHub	DSA

INTERESTS

Full Stack Development	DevOps & CI/CD	Linux
Database Design & Optimization	Cloud Computing	Artificial Intelligence

PROJECTS AND PRESENTATIONS

AgroMart - 2025

Developed a full-stack agriculture-based web platform connecting farmers, suppliers, and buyers with real-time product listings and input supply management.

MediDocX - 2024

Designed and developed a medical document management system as part of the BE curriculum to digitize healthcare records and streamline access.

Cardiac Crusaders – Codefest Ideathon 2023

Pitched a cardiac health monitoring and awareness concept at Codefest Gandaki Provincial Ideathon, Nepal's second-largest hackathon.

Automated Water Pumping System - 2022

Presented at the 9th GCES IT Expo as a smart solution for efficient water management in agriculture.

CERTIFICATION AND ACHIEVEMENTS

Certificate of Appreciation – Water Pumping System

Recognized at 9th GCES IT EXPO 2023 for project exhibition.

Certificate of Participation – Cardiac Crusaders

Awarded at Codefest Gandaki Provincial Ideathon 2023 for team participation.

Certificate of Appreciation – MediDocX

Acknowledged for innovation and contribution through project presentation.
